VANGUARD STRATEGY PARTNERS

Grow globally. Secure value.

Vanguard Strategy Partners is an internationally active management consultancy specializing in the strategic guidance and operational development of small and medium-sized enterprises (SMEs), owner families, and management teams across Europe and Asia. Since 1990, we have been supporting our clients in building sustainable structures, minimizing risks, and securing long-term growth.

What Sets Us Behind

We compare the transformation process of companies to a journey along the legendary Route 66. Our consulting approach is built on three core promises:

Strategic & Discreet: Tailor-made concepts executed with the highest level of confidentiality regarding sensitive matters such as succession planning or corporate relocation.

Step by Step: Reliable guidance and clear orientation through complex transitional phases.

Globally Connected: Serving as a bridge for the global mid-market by combining our US headquarters with partner offices in Europe and Asia.
